

The Stitchers' Village Sampler Project

The Stitchers' Village sampler project is an opportunity for every member of TSV to contribute a personalized section of stitching to be part of a 6 ¼" wide band sampler. The length of the sampler will be determined by the length and number of stitched sections contributed by members. Each section will be stitched by an individual and will represent something personal and be "signed" with the name, date, and location, of the member. Yes, you may stitch more than one if you wish. I know many of us are full of ideas.

To participate, you will need to stitch a section and mail it, along with an information sheet, to:

**Patty Hurwitz
The Stitchers' Village
5636 SW 38th Street
Topeka, KS 66610**

The stitched piece must finish at 6 ¼" wide to retain uniform width when joined to the other submissions. The length can vary, but must have at least 1" unfinished, unstitched top and bottom for joining purposes.

I am recommending that we use a stitch band in order to retain uniform width for joining purposes. The stitch band fabric comes with finished side edges. I have found Zweigart has linen #72022C/001 and aida #7421/001 that fit the width parameter. If you do choose to use a fabric piece instead, please finish your side edges so that your finished width is 6 ¼" and leave at least 1" top and bottom for joining purposes. Top/bottom edges should be unfinished.

Please fill out the following information and submit this form with your stitched section.
